Subject: Clutter moved new and different messages

Are these messages important to you?

For some time, Clutter has been moving messages to the Clutter folder. Recently, some new and different messages were moved. Now you can quickly scan the folder and move any messages that shouldn't be there back to the inbox. Clutter will learn from this and do better next time.

New messages we moved

Fwd: Solid Waste Removal at Fruitland Magnesium Fire Site Begins in Maywood, Calif.
